

## **CARBON COUNTY**

### **Hazardous Materials Technician**

The Carbon County Sheriff's Office has an immediate opening for a Hazardous Materials Responder at the "Technician" Level. This position is a permanently at-will position. Preference will be given to those individuals that have national certification at the "Technician" or "Operations" level, as defined by and pursuant to and adopted by the U.S. Department of Homeland Security, NFPA 472: Standards for Competence of Responders to Hazardous Materials / Weapons of Mass Destruction Incidents 2013.

This position is by its very nature highly dangerous and will expose the successful candidate to life threatening situations. Careful consideration should be given to this prior to applying for this position. It requires a high degree of cognitive ability and the ability to react quickly and calmly in the face of imminent danger. This position will work closely with first responders from various local, state and federal agencies, requiring strict adherence to detail and confidentiality. The successful applicant must pass an extensive background investigation, be in good physical fitness with the ability to lift over 50lbs regularly and have no felonies nor Class A misdemeanors on record.

Consideration will be given to applicants with current Hazmat certifications.

Will be required to pass a physical, drug screen, and background check.

Deadline for submitting applications is Friday – October 11, 2019. Please email Rose Barnes at: [rose.barnes@carbon.utah.gov](mailto:rose.barnes@carbon.utah.gov) for an application and a copy of the job description.

*Carbon County is an Equal Opportunity Employer*
